FOUNDER'S NOTE

Sarah Khanna

Our brand celebrates the timeless art of feminine craftsmanship.

In a world ruled by fast fashion,
we bring back the refined tailoring made for every day garments.

Blending the charm of the classics with the bold spirit of the
contemporary.

Rahis reimagines garments for today's woman.

Effortless, refined, and a part of one's fabric. we welcome the
new elegance.

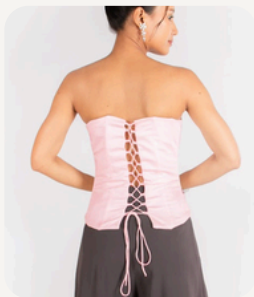

AFTER HOUR

After Hours exists in the moments when the day loosens its hold.

When time slows and dressing becomes instinct, guided by mood rather than intention. Fluid forms soften structure. Pleats move with the body, sheer layers hint rather than reveal, and tailoring holds just enough.

Designed for arrival, at dinner, at late tables, in conversations that linger. Clothes you don't think about while wearing, settling into you like a second skin.

*Statement pieces for late hours, confidence,
and everyday moments that you want to hold onto.*
